MAYBE NOT THEIR

TOYED WITH... PROBABLY
THEY ARE...

AND WILHELM...
NOT AS FAST AS
SCHREIBER, BUT HE'S
ALMOST THE EMBODI-
MENT OF BATTLE
SENSE. EVEN 'BREAHER'
THAN WHAT YOU'D
FIND ON A BATTLE-
FIELD...

前回同様、この「DIES INAC」は前作の続編として描いていきます。

Last time's book was rushed, and done in a collaboration with mister

前田 Yūnagi, so the title's ending was GY.なので、タイトル語尾がGYになってしま

I can imagine people wondering why I'm continuing a work that started

前作は協力の作品だったので、タイトル語尾がGYになってしま

as a collaboration, but please go easy on me as I have plans to finish the

whole thing one's it's complete.

完結しましたら、またおたのしみ出す予定です。どうかご容赦を。

Having said that, please forgive me for not having been able to complete

とい、Having said that, please forgive me for not having been able to complete

it with this book either. As for my excuse, I just haven't had much time,

いい、and I'm also not very good at drawing. Of course you might think then

描かなきゃいいじゃん、と、ごもっともな意見もあるでしょうが、描きたいのだから

While a valid point, I simply want to.

しょうがない、しょうがないものです。

It can't be helped.

あ、しょうがない。

I'm positive.

い、Mister Kimbā, who always goes drinking on holiday too.

All at the same time.. Very busy!!

い、Can't be helped.

With that in mind, next time might be the final chapter in this manga

い、With that in mind, next time might be the final chapter in this manga

series, though it's a bit presumptuous to call this an actual manga..

い、I'm very happy that you're sticking with me until the very end.

というのもおこまかしい代物ですが、最後までお付き合いしていただけると

Now then, I'm looking forward to next time. Not sure anymore what

それでは、次回も会えることをたのしみしています

もう書いてるかよくわかりません。
